

Bus Wine Tour

- *a great day into the Autumn Season for wine tasting, mountain views, fun and entertainment*

‘Wine tasting’ has a certain appeal to many people because of the various tastes in wine and quality of grapes. Our fundraising bus tour brought many members and friends together for a fabulous day touring the Yarra Valley wineries.

We started the day with our first visit to Yering Station which held its monthly Farmer’s Market- a great opportunity to buy fresh produce and stock up the pantry with gourmet treats. Following this, we visited Dominique Portet winery on our way to lunch at River Stone Estate which overlooked the magnificent mountain views – here, we gathered around the verandah, lazing around, enjoying a mouth watering lunch with fine wine and live music.

The tour concluded with our final visit to Rochford winery where we were given a mini introduction to ‘wine tasting and appreciation. The bus wine tour was an enjoyable event, which we hope to run again next year. Hope to see you again!

Thank you to our bus driver Bob for his navigational skills and putting up 46 socially hydrated people. Thank you to Jack for making this event an enjoyable experience with fun and games!!
